

### FABRIC CARE

Quality outdoor fabrics and cushions easily stand up to a summer rain.

To dry, simply set the cushions upright for a day or so.

To clean, use a mild detergent solution applied with a soft brush. Many fabrics tolerate more harsh cleaners, but check the manufacturer's instructions. Where winter weather is harsh, store cushions in a protected place until spring.

**Natural good looks** 1. Brisa Soleil Distressed in Prairie Fire, by Ultrafabrics. 2. Zambezi in Bumi, by Donghia. 3. Modernist Texture in Coco, by Chella Textiles. 4. Serengeti in Lioness, by Donghia. 5. Curvature Sun N Shade in Bark and Leaf, by Waverly. 6. Trinidad in Soleil, by Waverly. 7. Trinidad in Bark, by Waverly. 8. Playtime in Coco-1, by Weave Corp. **Right:** Colorful, comfy pillows are fun accents to outdoor decor. An assortment of stylish cushions are piled high on the Marakesh armchair in Chocolate, with seat cushion in Almond, from Janus et Cie.
