## Chella Textiles - A vision in white

by Eileen Chang, 08 June 2009

Impervious to harsh treatment by children, pets, sun, rain, freezing temperatures and spilled umbrella drinks, Chella's solution-dyed acrylic fabrics will remain pure as the driven snow long past the honeymoon phase. Chella designer, Scott Bodenner suggests layering Chella's solid, tone-on-tone and patterned designs in Alabaster, Cream, Pearl, Raffia and Sand Dune in a monochromatic mix
