Visual Comfort

Barbara Barry has expanded her prolific licensing empire. Her first design for this company, the **Lotus** table lamp stands 33 inches high on a white plaster round base 10 inches in diameter. The shade is hard-backed silk. 2021 Bingle Road, Houston, TX 77055; 713-686-5999; visualcomfort.com. circle 330

Bolier & Company

Michael Vanderbyl's **Domicile** collection is notable for gracefully updated silhouettes and an emphasis on contrasting materials. To wit, his cocktail table pairs a top of sculpture-grade Carrara marble with a base of polished stainless steel. 651 West Ward Avenue, High Point, NC 27260; 336-887-2815; bolierco.com. circle 331

Maria Yee

Lines reminiscent of California's mission and craftsman traditions distinguish the **Ventana Vista** sofa, with its solid chestnut frame. The aniline-dyed, vegetable-tanned leather resists UV rays and comes in sand, black, chocolate, red, green, or plum. 298 Harvey West Boulevard, Santa Cruz, CA 95060; 831-457-2900; mariayee.com. circle 332
